

We, the undersigned, would like to see the hearing process started on Senate Bill # 791 and House Bill #1490. The RECA program needs to be amended now for all the workers that gave their health and lives for the Cold War effort. For more information, [www.post71exposure.org](http://www.post71exposure.org) or contact Linda Evers at (505) 287-2304.
